- SCHEDULE:** February 12th, 8 a.m. to 4 p.m. February 13th, 8 a.m. to 4 p.m.
- DETAILS:** The first time Level IV is being made available to all those who have completed through Level III. Do come join us!
- Level IV begins with completing the Level IV Competency Evaluation Test and bringing a copy to Dr. Beddoe upon your arrival at the Level IV seminar. (Be sure to keep a copy for yourself as a record of your progress.) Dr. Beddoe will proceed to go through the Level IV Competency Evaluation Test as a part of the Level IV seminar session. The Evaluation Test is designed to help the student and Dr. Beddoe determine the status of the student's understanding and ability with RBTI principles and techniques including where and what areas of RBTI principles need emphasis. It will also help prepare the student for the Registry Exam. Go to www.advancedideals.org for details.
- Level IV continues where Level III left off and is designed to help the student increase their ability to put RBTI concepts into a workable arrangement. This level continues to add interpretive and applied experience with the numbers in an expanded context.
- Level IV study includes an introduction to the math of energy and an appreciation of reserve energy and its importance through visualizing the numbers as Dr. Reams taught.

LEVEL IV PREREQUISITES: Level IV has two prerequisites for those that want to attend. Any attendance without these prerequisites would be at the discretion of Dr. Beddoe.
